 **15 Years** Experience  **50+** R&D personnel  **3 Million** Sales volume
 **60000 m²** Factory  **3000+** units Daily output  **300+** Staff member

With over 10 years of manufacturing experience, Zhongcheng Auto Parts Co., Ltd. specializes in automotive heating and cooling systems, with a strong focus on diesel water heaters and diesel air heaters. Our factory covers 60,000m² and is equipped with multiple modern production lines, ensuring high efficiency, stable supply, and strong production capacity. We provide one-stop heating solutions, from R&D and manufacturing to after-sales support.

As a direct manufacturer, we offer flexible customization to meet diverse market needs, supported by strict quality management at every stage of production. We are committed to delivering reliable, innovative, and cost-effective heating systems for global customers.

PRODUCT CONTENTS

Diesel Water Heater – Engine Preheating & Protection

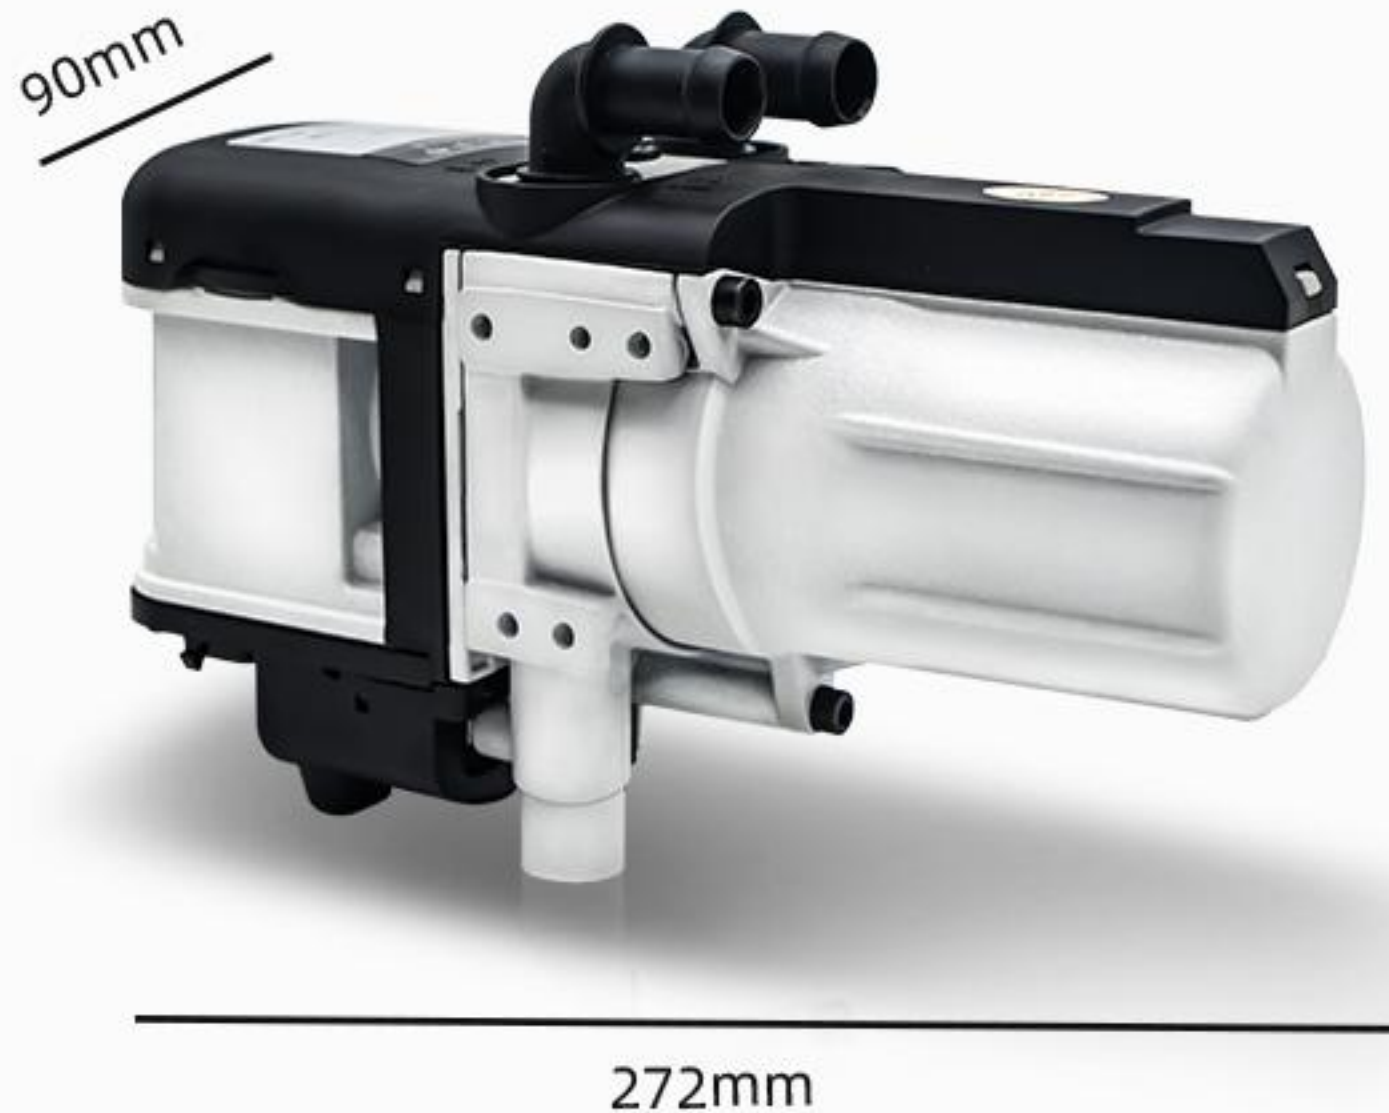

- Ensures smooth cold starts in low temperatures
- Protects engine components and extends lifespan
- Reduces fuel consumption and emissions

Diesel Air Heater – Cabin Heating & Comfort

- Provides fast, efficient warm air circulation
- Ideal for RVs, trucks, boats, and off-grid cabins
- Quiet operation with low fuel consumption

7000W Diesel Water Heaters

Ultra-Quiet
Operation

Heating Power	7000W
Fuel Type	0#, -10#, -35# Diesel Fuel
Rated Voltage	12V
Fuel Consumption	0.25L/H
Operating Temperature	-40°C~80°C
Product Weight	2.32KG
Product Size	272*174*90mm
Package dimensions	540*380*170mm

Rated Voltage	12V-220v
Fuel Consumption	0.2-0.45L/H
Operating Temperature	-40°C~80°C
Product Weight	6.3KG
Product Size	42*25*27cm
Machine Type	Horizontal all-in-one machine
Package dimensions	58*31*29cm

Voltage	12V/24v Dual-purpose
Shell material	Aluminum alloy

Voltage	12V/24v/220v General
Shell material	Aluminum alloy

Voltage	48V - 100V
Shell material	Aluminum alloy

OEM & Customization

Strong Manufacturing Capacity

60,000m² factory with multiple production lines ensuring stable supply and fast delivery for large-volume orders.

Strict Quality Assurance

100% Quality Inspection – Guaranteed Before Every Delivery. Comprehensive QC system at every stage of production, guaranteeing reliable performance and long service life.

OEM & ODM Customization

Flexible design and branding options to support distributors, wholesalers, and brand owners in different markets.

One-Stop Heating Solutions

From diesel water heaters to diesel air heaters and accessories, we provide a complete product range to simplify sourcing.

One-stop Diesel Heating Solution Provider
